

## 優先順位が違う

全国の人々の支援の気持ち、感謝です。  
でも、このカンバン必要？

## Misplaced Priorities

I'm grateful to everyone around the country  
for their support.  
But do we really need this sign?

June 2011, Sendai City, Miyagi  
by H. Yamamoto

*\*Translator's Note: The sign says, For communication  
use concerning the Tohoku & Kanto Japan Disasters. Bike  
No. 20-18. Bike loaned to the district welfare officer of the  
Sennan District.*
